(K5-In the mean time, and at all times, she begs cave to call attention of non-residents of New York the following: ENGLISH COMMON LAW REPORTS.

57 volumes, with a complete index to the first 47 vols.

Since volume 39 of this series, The English Common Law Reports have been reprinted in full. With volume 44 we commenced binding each English volume separately, instead of, as formerly, two English in one American volume.

Price per set for the first 43 vols. \$3 50 per vol.

" succeeding, 2 50 "
The reputation which these Reports maintain in England and in the United States, is known to all the Profession. The low price at which they are offered, compared with the rates of some of the principal American Reports, of even inferior merit, recommends them particularly to the attention of those purchasing libraries.

To the first forty-seven volumes of THE ENGLISH COMMON LAW REPORTS. By Hon. George Sharswood and George W. Bid-

First. Breadth across from top to top at the broadest part.

Second. Length of shoulder from top to the neck at the collar band.

Third. Length of arm from top of shoulder, around the elbow to wrist joint.

5. Lastly, it is necessary to know whether the berson has a long neck, and carries his head erect, or whether he is round-shouldered, with short neck, nclining forward. Also, the length of the shirt, or wight of the person. By Hon. George Sharswood, and George W. Biddle, csq.
With this Key to their contents, the English Common Law Reports present to the Profession a mass of legal learning in the shape of Opinions, Dicta, elaborate Arguments. &c., &c., sufficient, probably, for the Elucidation and Prosecution or Defence of any case that can arise in our Courts of Law; and being thus made easily and instantly accessible, these Reports will be found so comprehensive, convenient, and cheap, as to supersede the necessity of other and more expensive series.

The Index will be found of great value to all possessing the reports; and of great convenience to those having access to, but not owning the series.

PROPOSALS BY LITTLE & BROWN THE LIFE AND WORKS OF JOHN ADAMS,

PROPOSALS BY LITTLE & BROWN
FOR PUBLISHING BY SUBSCRIPTION
THE LIFE AND WORKS OF JOHN ADAMS,
Second President of the United States.

EDITED BY HIS GRANDSON, CHARLES PRANCIS ADAMS.
THE public will be glad to learn that the publication of the works of JOHN ADAMS, so long delayed, will now be commenced so soon as an adequate subscription shall have been obtained. It is intended to embrace in the proposed collection the works of Mr. Adams on Government, already published, but now out of print, and a selection from a most voluminous mass of manuscripts which have never seen the light.

The collection is to be made and edited by the Hon. Charles Francis Adams, the depositary of all the manuscripts as well of John Adams as of his father the late John Quincy Adams, and is intended as the first of two great publications, elucidating the history of the rise and progress of these United States, from the year 1761, in which the revolutionary struggle first began, down to the year 1848, when the younger Adams died.

The materials for the first of the two works are such more ample than has generally been supposed. John Adams, during nearly all his life, acrupulously preserved his papers, and among them are found many of a curious and singularly interesting character. Probably the most remark able, at least in the eyes of the world, will prove to be a Diary, commenced by him as early as 1755, and carried on for thirty years, including the largest portion of his public career. This Diary will be found to contain a great amount of valuable matter connected with the early movements of the Revolution in Massachusetts, and to throw a good deal of new light upon the proceedings of the great Congresses of 1774, 1775, and 1776, at Philadelphia, in which the writer was a conspicuous actor. There are also notes of the debates during a portion of that period, which, in the dearth of all knowledge of them, will be highly valuable to posterity.

It is well known that an intention was long entertained by the younger Mr. Adams to write a me

Such selections will be made from the Diary, and

Such selections will be made from the Diary, and from the private papers, as may be considered most likely to promote a better acquaintance with the times in which Mr. Adams lived and acted than is yet possessed, even after all the valuable contributions which have already been furnished from other quarters. On the whole, the publishers confisiently believe that there is no work relating to the revolutionary history of the United States, and indeed of the times in which Mr. Adams lived, that surpasses in historical and political value the volumes now offered to the patronage of the American people. And they strongly hope that they shall find themselves so well sustained in this great enterprise as to be encouraged to go on and perfect the other and latter part of it, the Life and Works of the no less distinguished son, John Quincy Adams.

of the no less distinguished son, John Quincy Adams.

The works will be brought out from time to time, commencing during the autumn of 1849, and completed within a reasonable period, consistently with proper attention to the high character designed to be given to them, and in the following order:

1. Works upon Government.

2. Political papers, including Controversial Publications of the Revolution.

3. Messages and Public Papers.

4. Diary.

Messages and Public Papers.

 Private Letters on Public Subjects, 1774 to 1801.

7. Life, by John Quincy Adams, continued by the editor.
8. Original unpublished Letters of Franklin, Jay, Jefferson, the Lees, Laurens, Gerry, Dana, Izard, and other eminent patriots of the Revolution.

The work will be beautifully printed, in ten volumes, in the octavo form, each volume containing from 500 to 600 pages, and put up in cloth, at the price of \$2 25 a volume.

A limited number of copies will be struck off on large paper, and put up in the same style of binding, price \$3 a volume.

Subscriptions and orders are respectfully solicited by the proprietors.
